Insurance Waiver for All Boat Show Entrants

This statement certifies that I am the owner of the above listed boat. I am participating in the 2017 Antique and Classic Boat Society Inc's International Show and/or the pre-events sponsored by the Antique and Classic Boat Society and hosted by the Glacier Lakes Chapter. This event will take place at Reefpoint Marina, Racine, WI, September 6-10, 2017. (Pre-events including September 3-6, 2017 at four Wisconsin locations.)

Owners who want boats judged are encouraged to be present at their boat when it is judged. By registering a boat to be judged, the owners explicitly grant permission for the judges to board their boat as may be needed to properly judge it, should the owner not be present. Judges are experienced in these matters and take due care; however, owners agree that neither judges nor the sponsoring organizations nor ACBS are liable for any damage that may occur during the judging process.

Further, I certify I currently have effective insurance to cover any damage to my boat, and to cover my liability for any damages to others, or their property, arising from any use of my boat during this event.

I hold free and harmless the officers and volunteers of the Antique and Classic Boat Society, Inc., Glacier Lakes Chapter, Reefpoint Marina, any sponsors and / or advertisers, from any and all actions, claims, liabilities, assertions of liability which in any manner arise, or be alleged to arise, from any and all activities, connected directly or proximately with the Boat Show or pre-events listed above.

JUDGING STATEMENT

Judging, using the ACBS Two-Track Judging System, is the vehicle used to evaluate boats and reward the owners who pursue the ACBS goals of originality and authenticity in vintage watercraft. Accordingly, vintage boat and motor owners are encouraged to bring their craft to Racine, Wisconsin in September 2017, and have them judged in ACBS's Annual International Boat Show.

Streblov Boats will be the 2017 featured boat.

REQUIREMENTS FOR BOAT SHOW ENTRIES TO BE JUDGED:

Registration for the Annual Meeting is required (see Annual Meeting registration form).

Completed registration forms must have been received at ACBS Headquarters with payment not later than August 21st.

Small craft and unmounted inboard and outboard motors will be judged on land in their assigned spaces.

Motorized boats must be registered as In-The-Water Exhibits.

Motorized boats must arrive at the docks of the Marina under their own power not later than 8:00 a.m. on Friday, Sept. 8th, and remain in place during Boat Show hours on Friday and Saturday.

EXCEPTIONS:

The Chief Judge confirms that a properly registered boat cannot reach the Marina docks under its own power because of a problem that occurred during its use in the week's official pre-event activities.

The boat is a direct-drive raceboat or a sailboat which cannot be safely maneuvered to its docking space under its own power.

The boat is a raceboat designed to take on water (in spinnakers) when not underway.

If docking space becomes over-subscribed, motorized boats will be judged on their trailers.

Registrations received after August 21st, will be welcomed on a space-available basis but will be eligible for judging solely at the discretion of the Chief Judge.

Over 140 docking spaces will be available at the Boat Show venue and boats to be judged will have priority assignments to these spaces. However, docking space cannot be guaranteed. Docking space will be assigned to boats being judged in the order in which their paid registrations are received at ACBS Headquarters prior to the cutoff date of August 21, 2017. Space available for land-based exhibits is virtually unlimited.

RESTORED VS. PRESERVED:

As noted above, boats will be judged according to the ACBS Two-Track Judging System. The boat owner or registrant must declare whether the boat (other than a contemporary boat) is preserved or restored. Preserved boats must have at least 60% of the original wood in the deck and topsides and any restoration must follow the same construction method used by the original builder. Specifically, the use of plywood where it was not originally used causes a boat to be classified as restored. The judges, using information supplied by the owner and their own judgment, will ultimately confirm whether a boat should be judged in the **Restored** or **Preserved** category.

ENTRY CLASSES:

When completing the Boat Show registration(s), please select from the following Entry Classes:

**Utility / Runabout / Launch / Cruiser / Outboard with steering / Outboard w/o steering
Sailing Craft / Inboard Raceboat / Outboard Raceboat / Rowing Craft / Canoe / Non-Wood
Powered Contemporary / Non-Powered Contemporary / Unmounted Engine / Diamond Circle***

*To qualify for Diamond Circle Award, you must have won Best of Show Preserved, Best of Show Restored, or Best of Show Non-Wood at least once from 2012 through 2016 at the ACBS International Boat Show.

Trophies will be presented based on ACBS Judging points as follows: Platinum 95-100, Gold 90-94, Silver 85-89
