

Make **acbs.org** an **app** on your phone!

On your phone (or tablet) search for www.acbs.org. Open the website.

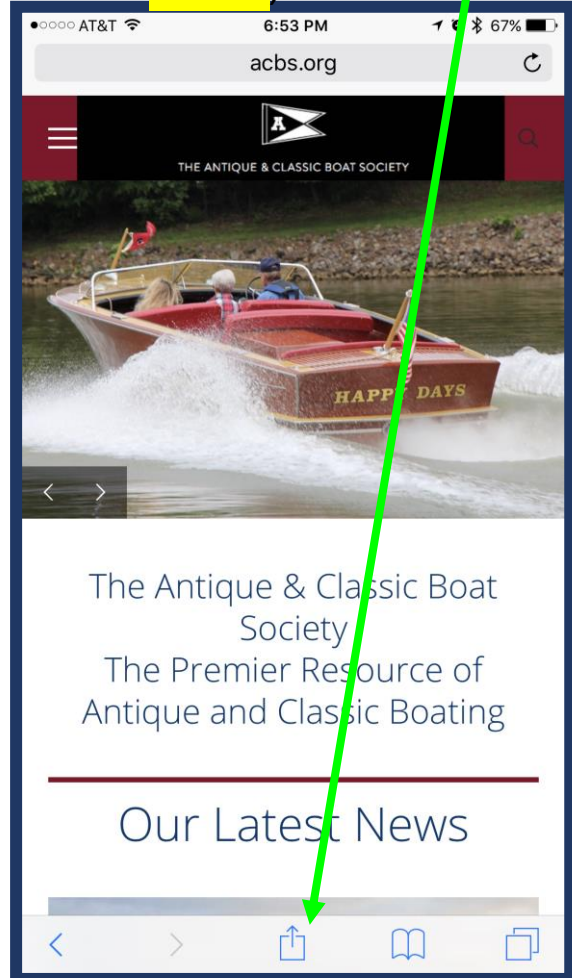

Ask that its icon be placed on your device's desktop:

With **Android**, click here

Then choose **"Add to Home Screen"**

On an **iPhone**, click here

Then choose **"Add to Home Screen"**

This icon will appear on your phone or tablet.

Then each time you want to go to the ACBS website, just tap the icon to open the ACBS website with all its contents

whenever, wherever you are.

And to get right to the latest news blog, touch the words **"Our Latest News"**.
